Isaac Taylor Headland

Dedication . . .

Respectfully and affectionately, we dedicate the 1939 Unonian to one of the best-known and most loved members of the Mount Union family, Dr. Isaac Taylor Headland.

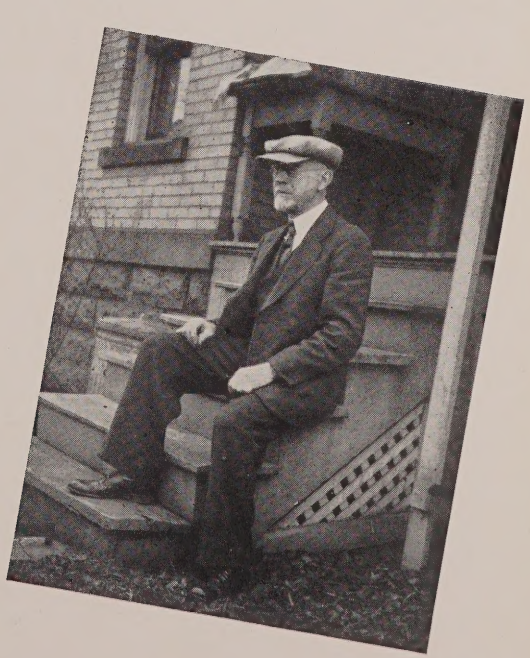
Dr. Headland entered Mount Union as a student in the year 1880, and graduated with an A.B. degree in 1884. This year completes Dr. Headland's twenty-fifth year as Professor of Religion here at Mount Union, and we are proud to honor his years of service with this sincere dedication.

Dr. Headland has always shown a very keen interest in the various activities of the college, and he is still more than willing to give us his knowledge and his many fascinating experiences both here and abroad whenever asked.

As one looks back over the eighty years that Dr. Headland has so fully known, one sees years of preparation in many schools and universities, years of hard work on the mission field in China — writing, lecturing, teaching — and now years "back home" with us, enjoying the rich fruits of his labor.

Because Dr. Headland is known by many all over the world, because his philosophy of life offers us an example which we would all do well to follow, and because he is an alumnus of whom Mount Union is most proud, we more than appreciate having him and his charming wife associated with us on our faculty.

It is to you, Dr. Headland, we dedicate this book, for we, the students, deem you "most worthy."



Welcome

This year's Unonian wouldn't be complete without a sincere and heartfelt welcome to our new president, Dr. Charles Burgess Ketcham, and to his family. Certainly we as students are happy and proud to be able to look to this fine family as leaders in the midst of a progressive college.

Our new "Prexy" comes to the campus following twenty years of splendid work in educational and religious fields, and we have every confidence in his ability to forward Mount Union. High are the praises of him, and happy are we to be friends of one we have but met and so soon learned to love. Already we feel at home with "Prexy" and his family, for we know they are giving us of their best in friendship and sincerity that we may better face our keen and interesting problems.

The Unonian can do no more than to speak on behalf of the student body in wishing Dr. Ketcham and his family many years of satisfying accomplishment and happiness here at Mount Union and in pledging our co-operation in any enterprise they undertake. So it is with a great deal of admiration and feeling in our hearts that we, the students, welcome the Ketchams at this, the beginning of a prosperous reign on the Mount Union College campus, their new home.

Senior Class History

"And though we must leave you bye and bye —
We will stand by the Mount until we die."

This phrase of a traditional Mount Union melody might well be the theme song of the Class of '39. As we look back over our four years of college life, we recall with fond remembrances the mixture of thrills and worries we experienced in sponsoring the first freshman chapel program, and again in giving our sophomore dance. We finished these two years — a little more intelligent, more worldly-wise, and most proud.

Packing books, packing clothes, September: all spelled "back to Mount" for us. This meant increased responsibilities as juniors. We met this challenge by sponsoring a most beautiful prom, one which we'll always remember as the "Garden of Memories." Then came the climax: senior presidencies, offices, editorships, increased responsibilities, and worries about our future occupations.

Now that our college careers are over, careers crammed full with interesting activities that give us pleasant memories, we leave you, Mount Union, happy and satisfied. We have filled our niche and accomplished our task; we hope to have left the college somewhat better than we found it; we have not lacked for appreciation of friends and fine things; we have always tried to look for the best in others and to give the best of ourselves. May our achievements be an inspiration, our memory a benediction.

"Never do a thing second class

f you can do it first class" . . .

Junior Class History

"The important thing about a man is not what he is, but what he's becoming."

We, as juniors, are beginning to face the greater and more serious problems of college life as we approach our senior year. Already the responsibilities and presidencies are adding burdens to our college careers.

But looking backward to our freshman days, we remember ourselves as the traditional frightened and bewildered "greenhorns" under the leadership of our freshman "prexy", Bob Johnson.

September of '36 found us back at Mount Union with a little more confidence in our ability. This year, John Bottomy took over the presidential reins. One of our outstanding sophomore activities was the all-college dance. As college students, we find ourselves a versatile, congenial group, with many members of our class participating in every campus activity.

And now—we are juniors, once again surprised and bewildered, but this time at the swiftness with which three of the most valuable years of our lives have slipped by. But we stand ready to accept the challenge of "seniorhood", to grasp the torch and hold it high for carrying on the beautiful traditions and standards of Mount Union College life. As we approach the task, our goal shall ever be "to strive, to seek, to find, and not to yield."

"The best thing you can do i

he only thing you ought to do" . . .

Sophomore Class History

"We're avid in our search for facts,
No knowledge do we spurn,
And if the truth were only known,
We've little left to learn."

None but the sophomores could sing this song; they believe in it. After successfully surviving the perils of being a freshman and the even worse tribulations of initiation, the Class of 1941 has emerged unscathed and still able to think.

John Kitzmiller was elected president during the freshman year, and the other offcers were James Moore, Mary Howe Jones, and Paul Myers. Betty Wagenhals was chosen class queen for both years and was also selected college health queen for 1938.

The freshman and sophomore dances, to which only members of the Class of '41 were invited, established a precedent for making class affiliation the criterion for invitation to social affairs.

The men of the class enjoyed some distinction when they won the 1937 Homecoming Bag Rush. In 1938, they were subjected to the ignominy of defeat at the hands of the "frosh"—all in accordance with tradition.

No field of extra-curricular activity lacks participants from the Class of '41. Although well represented in athletics and all types of campus organizations, the class has its share of scholars.

Mount Union is proud of the Class of 1941; at least the sophomores think so!

but in liking what one does" . . .

Freshman Class History

"The Freshman Class we celebrate
In song and dance sublime."

And why not? They have been called, as every freshman class in history has been called, "the finest looking class in years." However, it isn't all hearsay. The "frosh" point with pride to their queen, Betty Anderson of Alliance, and view with satisfaction the long list of their members in all campus activities. Football, basketball, Dynamo, Unonian, A Cappella Choir, Y. M. C. A., Y. W. C. A.—there's just no limit to freshman ability. Besides these activities, they won the Bag Rush, much to the disgust and chagrin of the sophomores, and they later presented a varied chapel program.

"The color green we dearly love
And all for which it stands."

Maybe they were "green" last fall, but we hope that's wearing off. That polish of sophistication, so dear to the hearts of the sophomores, is beginning to show some signs of appearance.

The boys of Miller Hall, those fine, stalwart sons of here and there, imposed such a system of fines on themselves that they have to be mighty careful what they do in their "off moments." (They still stay out later than the girls, however.) Speaking of the freshmen girls, it seems that they have made quite a debut into the fraternity jewelry market. It's all in the life of a college freshman, we guess.

Here's to the Class of 1942; it's going places.

"Never start out to go nowhere;

anyone going somewhere can take you anywhere" . . .

Alpha Tau Omega

Ohio Alpha Nu of Alpha Tau Omega, the first national fraternity on Mount Union campus, was installed here in 1882. The chapter also has the honor of being the first chapter in Ohio. The favorite song of the chapter is "You're as Pretty as a Picture"; their flower is the white rose; and their colors are sky blue and old gold.

The Alpha Tau Omegas are particularly noted for their participation in athletic activities. However, the members are active in other endeavors; and they have held the presidencies of the Inter-fraternity Council, Alembroic Society, and Pi Gamma Mu.

The fraternity was founded at Richmond, Virginia, September 11, 1865; and its first chapter was established at the Virginia Military Institute. Some prominent alumni are Hal Schumacher, pitcher with the New York Giants; Wesley Stout, editor of the **Saturday Evening Post**; Otto Kreuger, movie actor; Burnet R. Maybank, Governor of South Carolina; Dr. Karl T. Compton, President of Massachusetts Institute of Technology; and Pick Dehner, All-American center from Illinois.

Sigma Alpha Epsilon

Ohio Sigma of Sigma Alpha Epsilon was installed on the Mount Union campus in 1885, and it is the oldest continuous S. A. E. chapter in the North. The flower is the violet; the colors are royal purple and old gold; and the favorite song of the chapter is "Violets."

The chapter possesses a magnificently furnished new home which will be formally dedicated at Commencement, June 13, 1939. The group won the Homecoming Sing and the scholarship cup last semester. The members are versatile, having proved themselves in the fields of music, writing, science, and athletics. This year they have the editorship of the Unonian.

Sigma Alpha Epsilon was founded on March 9, 1856, at the University of Alabama. Some prominent alumni are William McKinley, late President of the United States; Philander Chase Knox, Secretary of State in 1909; Dr. Charles Armstrong, of the United States Public Health Service; Dr. Andervont, prominent in cancer research; Louis H. Brush, President of the Brush-Moore Newspapers, Inc.; Judge Alfred K. Nippert, Cincinnati, Ohio; and Tommy Bridges, baseball player with the Detroit Tigers.

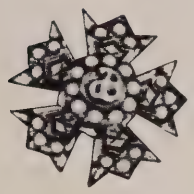
Sigma Nu



Beta Iota of Sigma Nu was installed on the Mount Union campus July 22, 1892. This chapter was the first here to own its own home, and it has occupied its present residence since 1932. This year, Beta Iota not only had the largest membership of any group on the campus but also had the largest pledge group.

The members have excelled in football, basketball, and other athletics; and this year, they were intramural wrestling champions. The chapter has made itself known in music, journalism, science, and writing. They have had the presidencies of the Student Senate and of Phi Sigma, national biology honorary society, and the junior editorship of the Dynamo for the year 1938-1939.

Sigma Nu fraternity was founded on January 1, 1869, at Virginia Military Institute. The favorite song is "White Star of Sigma Nu"; the colors are gold, black, and white; and the flower is the white rose. Some prominent Sigma Nus are the former Senator Frederick Steiwer of Oregon; Representative Henry Steagall of Alabama; General Stephen O. Fuqua, Chief of Infantry, U. S. A.; Kay Kyser, orchestra leader; Ellsworth Vines, tennis champion; and Burton Rascoe, literary critic.

Phi Kappa Tau

The Epsilon chapter of Phi Kappa Tau was installed at Mount Union in 1915. Their colors are Harvard red and old gold; their flower is the red carnation; and their favorite song is "Brothers."

The past year, Epsilon held the presidency of Y. M. C. A. and the editorship of the Dynamo. The chapter has been the winner of many honors, such as Stunt Night and the Homecoming decoration awards. The members have also made a name for themselves in science, music, photography, and executive ability. Every year the chapter celebrates Memorial Day by an all-day party and dinner at Turkeyfoot Lake.

Phi Kappa Tau was founded at Miami University, Oxford, Ohio, March 17, 1906. Among the prominent Phi Taus are Dr. Martin Beull Tinker, international goiter specialist; Joseph Morris Bachelor, author; Joseph W. Clokey, composer; Maynard M. Boring, vice president of the General Electric Company; Honorable Hugh M. Morris, federal judge; Frederick K. Stamm, minister and author; and Donald Ebright, treasurer of the State of Ohio.

Alpha Kappa Pi

Iota Chapter of Alpha Kappa Pi, the youngest fraternity on Mount Union's campus, was installed in 1929. Their favorite song is "The Yellow Rose"; the fraternity colors are Dartmouth green and white; and the flower is the yellow tea rose, in honor of Mrs. Calvin Coolidge.

The members have participated in debate, gospel team, Y. M. C. A., journalism, and athletics; and they have won the scholarship cup twelve times out of the past seventeen semesters.

In the fall of 1925, representatives of Phi Delta Zeta and Alpha Kappa Pi, a local fraternity at Wagner College, Staten Island, New York, at the suggestion of Albert Hughes Wilson of New York City, decided to form their own national organization. On March 3, 1926, the organization was completed in the study of Dr. A. H. Wilson, and Alpha Kappa Pi made its initial bow into the national fraternity field. The Alpha Chapter was placed at Newark College and Beta Chapter at Wagner College as a result of a compromise on the selection of a name, the fraternity colors, and the fraternity emblem.

Some notable alumni of Alpha Kappa Pi are Cliff Battles, All-American professional football player; and Professor Lamb, Professor of Geology at Mount Union.

Alpha Xi Delta

Gamma of Alpha Xi Delta, the oldest sorority on Mount Union campus, was installed in 1902. The favorite song of the chapter is "Double Blue and Gold"; the flower is the pink Killarney rose; and the colors are double blue and gold.

The past year Gamma held the presidencies of Y. W. C. A., Panhellenic council, Elliott Hall Student Government Board, and A Cappella choir. The freshman, sophomore, and junior class beauty honors went to three members of the chapter. One of its members competed in the Women's National Open Golf Tournament. Alpha Xi Deltas are well-known for their musical talent and scientific ability, having the only woman member in Alembroic society.

Alpha Xi Delta was founded at Lombard College, Galesburg, Illinois, April 17, 1893. Some of the outstanding members are Maxine Davis; Lois Montross Stafford, authoress; Ruth Cope, Dean of Lawrence College; Mable Chickering, physician; and Mrs. Mary Tribble Lowry, Dean of Women at Stetson University.

Delta Delta Delta

Delta Nu of Delta Delta Delta was installed on the Mount Union campus in 1914. The favorite song of the group is "Gleaming White Pearl"; the colors are silver, gold, and blue; and the flower is the pansy.

For two consecutive semesters Delta Nu has held the scholarship cup. Besides scholarship, the chapter has received many other honors, such as the Nebraska Ball championship, and the winning of the Homecoming sing and Stunt Night competitions. This year both the Homecoming queen and the May queen were Tri Deltas. A member of Delta Nu was the president of Elliott Hall Student Government Board for the first semester.

Delta Delta Delta was founded at Boston University on Thanksgiving Eve, 1888 and, nationally, is the third largest sorority. Some well-known Tri Deltas are Mrs. Phillip S. Post, only woman of the Knox Board of Trustees; Ernestine B. Grigsby, noted artist, journalist, and public speaker; and Bette Davis, cinema artist.

Alpha Chi Omega

Alpha Eta of Alpha Chi Omega was installed on Mount Union's campus June 11, 1920. The favorite song is "Alpha Chi, How We Love Thy Name"; the colors are scarlet and olive green; and the flowers are scarlet carnation and smilax.

The group has participated in many activities, such as choir, journalism, athletics, science, and Y. W. C. A. This year the Alpha Chis won the Homecoming decorations. The chapter held presidencies of the sophomore class and of Women's Student Council, and the junior editorship of the Dynamo for the year 1938-1939.

Alpha Chi Omega was founded at De Pauw University, October 15, 1885; and it is an international organization. Originally only girls who were specializing in music were admitted. Besides a War Orphan Fund, the sorority maintains the Star Studio at MacDowell Colony, Vermont. Among the prominent Alpha Chi Omegas are Dorothy Thompson Lewis, noted journalist; Marion Nevin MacDowell, composer; Maud Powell, noted woman violinist; and Dr. Esther Mauer.

Kappa Delta

Alpha Beta of Kappa Delta, the youngest sorority chapter on the Mount Union campus, was installed in 1924. The sorority colors are olive green and pearl white; the flower is the white rose, and the most popular song of the chapter is "The White Rose."

The Kappa Delts are especially interested in sports; and this year they won both basketball and Mountball championships, also placing several members on the Yale and Harvard teams. The chapter members have proved themselves capable in science, journalism, writing, and executive ability, having had the presidencies of the Women's Athletic Association, the Dynamo Association, and the freshman class during 1938-1939.

Kappa Delta was founded at Virginia State Normal School in Farmville, Virginia, on October 23, 1897. Among many prominent alumnae are Pearl S. Buck, famous novelist; Sylvia Meyer, harpist; Agnes Samuelson, former president of the National Education Association; Mrs. William Bankhead, wife of the Speaker of the House; and Hildegarde Fillmore, style and beauty editor of McCall's.

Signet Club

The Signet Club is an organization for students who are not affiliated with fraternities or sororities on Mount Union's campus. This group was organized in 1934, to give the unaffiliated men and women the social advantage of the Greek organizations. Doris Cline, '36, and Robert Morris, '35, were prominent leaders in the organization of this group.

This organization shares equal voting power with fraternities and sororities in the Student Senate Government, and also participates in the men's and women's intramural competitions. The group maintains a club room for women in Morgan Gymnasium and one for men in Miller Hall, where the commuters meet at noon to eat lunch. Every year the Signets sponsor a dance to which representatives from fraternities and sororities are invited. The Signet Club develops leadership and executive ability without the backing of a national organization. This year the women held the honor of the May Day Chairmanship.

The Dynamo is the Mount Union journal and is issued weekly during the school year in the interests of the student body. The paper attempts to give a review of the highlights of campus news. In addition, there are a number of feature columns, as well as news of general student interest and a page given to sports. The Dynamo Association is the governing body of the paper and is composed of fifteen upperclassmen selected on merit. Winifred Summer is president of the Dynamo Association, and Emma Jane Lewis is the secretary. In addition to the Association, there is a large staff of reporters. Dr. Englebert, with Mrs. Eckler and Dr. Pratt, is the advisor.

Pi Gamma Mu

The membership of Tau Kappa Alpha, an honorary debating fraternity, is composed of those students who have participated in intercollegiate debates. The teams are composed of those students who wish to further their knowledge of public speaking, and they are supervised by Professor Gunnell, with Robert Domer acting as student manager. During the first semester the team participated in twenty debates, several of which were intercollegiate. The general question for debating was "Resolved: That the United States should cease to use public funds (including credit) for the purpose of stimulating business."

Lauriger

Each year every fraternity and sorority, as well as the non-fraternity group, chooses one representative for the Student Senate, the legislative group of the student body. The Senate exercises a general supervision over student activities, organizations, and conduct in an attempt to bring the student body and faculty closer together and to interpret and maintain the traditions and customs of Mount Union College. In addition to publishing the Mount Union handbook, the Senate supervises the freshman activities and sponsors all-college functions.

Lauriger is the senior honorary society for women. Election into this society is decided upon by faculty recommendation and by the active membership. This group of not less than five, and not more than seven, senior girls is chosen on character, scholarship, leadership, service, and general all-around ability. The motto is "Merit through service and service through merit." It is the duty of Lauriger to be of assistance to the Dean of Women and to aid in guiding freshman girls. Dean Stevenson is advisor for the organization.

Women's Athletic Association

The Women's Student Council acts as the coordinating agency for all women's activities that are held by campus organizations. Dean Sarah Stevenson is the advisor for this organization, which tries to promote the highest standards of honor and integrity in personal conduct. Among the activities that the council helps to promote are May Day, the Co-ed Prom, a party for freshman women, a trip to the grand opera in Cleveland, and a Mother's Day Tea. This organization is the donor of a scholarship prize for women.

The Women's Athletic Association is an organization governed by an official board made up of two representatives from each sorority and from the non-sorority group. This board aims to develop sportsmanship, a high standard of conduct, efficiency in play, and leadership. Upon registration in college, each girl automatically becomes a non-active member of this organization and is permitted to participate in the seasonal athletics and the social program. Various sports throughout the year are encouraged, and inter-sorority games played on a regular schedule.

A Cappella Choir

College Band

A chorus of approximately seventy-five voices, collectively known as the A Cappella Choir, is a worthy member of the Mount Union family. The choir, chosen and directed by Dr. Walter H. Hodgson, appeared at each chapel throughout the year and arranged special music for the Christmas and Easter chapels, Inauguration, and Commencement. The group made a spring tour to the more important cities of southern Ohio.

Gordon Scott as drum major had no small part in leading the band to new heights this year. On Migration Day the band made a trip to Muskingum and is now planning to make equally successful trips next fall.

Physical Education

The current social changes and vocational trends indicate that much of the new leisure, whether earned or enforced, will be spent in recreation through physical activities. Under the capable leadership of Coaches Robert D. Wright and Harry Geltz, a modern program of health and physical education has been developed to enable Mount Union students properly to meet the increase in sedentary occupations and the harmful physiological, psychological, and sociological affects of prolonged physical inactivity.

We regard our inter-collegiate athletic program as an integral part of a larger physical education program. A pyramidal plan of progress presents the five definite divisions of this modern program.

First: Examinations for health and physical fitness.

Second: Required program for freshmen and sophomores.

Third: A full intra-mural program which reaches the majority of students who do not participate in inter-collegiate athletics.

Fourth: Teams participating in inter-collegiate football, basketball, golf, track, tennis and cross country.

Fifth: Professional preparation of teachers of health and physical education. In these classes the students learn advance instruction in teaching and coaching physical activities and health education.

ROBERT D. WRIGHT

Director of Physical Education

Head Basketball Coach

During the past fourteen years that Robert D. Wright has coached basketball here at Mount Union, he has established a record of which any coach could be envious, his teams having won 182 games and lost 47. Never a year has passed in which under seventy-five percent of the games have been won.

With this fine record behind it, Mount Union holds the respect of all teams in this section. Next year twenty games have been scheduled, and we are confident that the Mount Union team will again prove the traditional Mount Union supremacy on the basketball court under the capable guidance of a fine coach.

HARRY GELTZ

Head Football Coach

Since 1932, Mount Union teams have had the privilege of working under a fine leader, Coach Harry Geltz, and in that time he has turned out many fine teams. The fighting spirit that he instills in his teams reminds sports enthusiasts of the Mount Union teams of 1913 to 1915, and of a scrappy little quarterback, Harry Geltz, who also held down a forward position on the basketball team.

Coach Geltz's elevens lost only two games in the years 1936 and 1937, and in the latter year eight men were placed on the All-Ohio Conference teams. During the past four seasons, his teams have lost only eight games, playing schools much larger than our own.

We are proud of Harry Geltz as a coach, as a teacher, and as a man.

Basketball Tradition

Forty-seven years ago, in the year 1892, the first inter-collegiate basketball game was played at Morgan Gymnasium. This encounter resulted in a 12-0 win for Hiram, but since that time the "Mounters" have more than avenged the defeat and have trimmed the "Terriers" twenty-four times in the last fourteen years.

In 1925, a young coach came to Mount Union College determined to produce winning teams. That coach was none other than Robert D. Wright, and, as the Mount Union opponents know only too well, he has produced winning teams. In his 14 years as basketball coach here on the hill-top, he has established a record that is one of the best in the Buckeye State and possibly in the nation, as far as inter-collegiate basketball is concerned. College teams have four conference championships to their credit, have finished in the runner-up position an equal number of times, and have always been serious contenders for conference honors. Mount Union has also held such titles as "The highest scoring team in Ohio," "The best defensive team in Ohio," and, in 1938, "State Champions of Ohio."

As the gun sounded a victory in the final game of the 1938-39 season, Coach Wright started to build a championship team for 1939-40. Sharing his determination, we say, "Good luck to you, coach and players, and may your accomplishments of the future uphold and strengthen the rich tradition you have built in the past."

Basketball Summary

Despite an injury jinx at the beginning of the season, the 1938 edition of the Mount Union basketball team, whose nucleus was a junior combination, made a strong comeback at the end of the year and won twelve games in a nineteen game schedule. Incidentally, eleven of the victories were gained on the Memorial Hall court.

With veteran Harold Nichols temporarily shelved with a broken ankle, the quintet was further crippled by the loss of Jack Mills, junior, who was convalescing because of an appendicitis operation just prior to the opening of the season. It was not until the beginning of the second semester that Walter Raber, another junior, stepped to the front and guided the team in their brilliant reversal of form. Gordon Scott, the only senior to play regularly with the Wright team, set a rapid pace around the basket and, in the Otterbein game, dropped 21 points through the meshes. The win and lose column averaged .631 for the campaign.

Three seniors will be lost by graduation: Ben Cope, Harold Nichols, and Gordon Scott. These three men are all lettermen, and all have been three year award winners. All have played important roles in keeping Mount Union teams among the leaders in the Ohio Conference during the past three years. Offsetting the loss of these men, however, are the prospects of a bright season next year; for Coach Bob Wright, faced with a twenty-one game schedule, will have Walter Raber, John Cabas, Dick Paxson, Dave Reed, Martin Lovell, La Verne Haidet, Clyde Vanaman, and Bob Abrams returning from this year's team, plus a fine group of freshmen.

Mount Union had posted six consecutive wins when it opposed Wooster for the second time. After losing to Wooster, Mount Union closed a successful season by defeating Kent State in a thrilling game.

Basketball Lettermen

Jack Mills

Jack is a versatile player who may be always counted upon to give his best. He measures up to All-Ohio qualifications.

Benjamin Cope

"Ben" is a strong defensive player, excellent at long shots and able to keep up a strenuous pace.

Richard Smith

"Dick" is a senior who, although most of this season he was handicapped by injuries, is a fine aggressive player.

Harold Nichols

"Nick" is noted for his fighting spirit and consistency. His loss will be greatly felt when next year's season rolls around.

Gordon Scott

"Gordie" developed into an expert ball-handler and floor man. He is also known for his foul shooting and scoring ability.

David Reed

"Davie" is a versatile varsity man who still has another year of varsity competition.

"Marty" is the only first-year man to win a varsity letter. Much is expected of him in the future.

Football Tradition

The first inter-collegiate football game at Mount Union College was played on November 7, 1893, with Kenyon as the opponent. Kenyon won this inaugural game, 18-0. The first team played a schedule of three games and was victorious in two of these games. During this early period, Mount Union was a member of the Northern Ohio Intercollegiate Athletic Conference along with Case, Adelbert, and Hiram.

There had been considerable interest in football, as evidenced in a student petition to the faculty in 1878 for permission to organize a football team. However, prior to 1893, at no time had a team been organized for inter-collegiate competition. Football had an in-and-out existence before 1900, when faculty opposition and an injury to one of the outstanding players in a game at Hiram prevented the students from having teams in 1895 and 1899.

Mount Union had several teams prior to 1900, but at no time had a coach been employed to handle the team. A growing sentiment against the manner in which student managers were handling the affairs of the team arose, and this resulted in the hiring of a coach by the college administration. It was in 1902 that Frank Halliday was employed as the first coach at Mount Union. In addition to his duties as coach, Halliday was professor of elocution and oratory.

In October, 1913, the Mount Union team played host to Western Reserve when they dedicated their new field, Hartshorn Field. Mount Union has been a member of the Ohio Athletic Conference since June 6, 1914.

Football Summary

With one of the smallest squads ever to represent Mount Union College on the gridiron, the '38 team, under the guidance of Coaches Geltz and Wright, and with the assistance of Ralph Rice, John Neff, and Donald Greenisen, won five games in an eight-game schedule.

The season opened with the usual night game, with Hiram as the foe. The team showed little in this game but managed to win 7-0 over a fairly strong and surprising Hiram team. Miami, with one of the stronger teams in the Buckeye Conference, invaded Hartshorn Field and severely trounced the team, 39-0.

A determined squad of Purple Raiders took the field against Heidelberg and won their first Ohio Conference victory by an 18-0 score. On the following Saturday, the team took to the road and brought home a 7-0 victory over Otterbein for their second conference win.

A strong Wooster squad provided the opposition in the Homecoming Day attraction. Wooster scored early and added the extra point. It was in the closing minutes of the game that the Mount Union drive gained momentum, and the team crossed the Wooster goal line. The try for extra point failed, but the final rally provided a thrill for a large Homecoming crowd.

Following the Wooster game, the team took to the road to finish up their schedule. The Purple Raiders turned back a fighting Ashland squad to win the first of their road games. Then came the trip to Kenton, where they played the Ohio Northern Polar Bears in an Armistice Day game. The Polar Bears turned back the Purple Raiders in the final fifty seconds of play when they place-kicked a field goal to break a tie and to win by a 9-6 score.

In the final game of the season, the Mount Union team journeyed to New Concord to meet Muskingum. On an inundated gridiron, the team played an inspired game of football and came home on the long end of a 6-0 score.

Football Lettermen

Harold Nichols

"Nick," because of his great defensive ability, has made a name for himself in the annals of Mount Union sports.

Richard Smith

His punting and excellent playing at a wing position contributed a great deal to the team's showing.

David Reed

"Dave," a big end, was a fine pass-receiver and added much to the team's success.

John Cabas

John, in spite of his injuries during the last two seasons, is expected to lead the team next year.

Richard Paxson

"Dick" has moved up from the backfield to add strength to the forward wall this season.

John Bottomy

John is a powerful defensive end and blocker, but a mid-season injury kept him out of the line-up for several games.

Paul Lingrel

"Moose" returned to school this fall to add considerable strength to the backfield.

Howard Wilson

Carrying on a family athletic tradition, he held down the center position like a veteran.

Ralph Lutz

A valuable blocker and a ground gainer, he could always be relied on for the final yard.

Martin Lovell

"Marty" is a dependable ground-gainer who will be the key man of next year's backfield.

Walter Raber

"Binx" is a smart and aggressive player with plenty of vitality and fight.

John Bobick

George Cukro

Calendar of School Events

Sept.	13	Mary! How are you? Nice vacation? Did you ever see such tiny freshmen? (By the way have a pin ready for.....).
Sept.	23	W. A. A. entertains freshman girls at Supper Hike, tear back for first Football game with Hiram. Whoops! we win.
Oct.	15	Gang sets out for Cook's Forest. What a weekend! Hikes, horses, food and fun. And Mrs. Ketcham's moving pictures.
Oct.	18	College fems playing hockey on the Campus Greens. What weather, still loads of time for tennis.
Oct.	20	More excitement this week. Visitors, delegates, speakers, etc. Why? It's Prexy's inauguration. Welcome to the Mount Union Family.
Oct.	21	Homecoming Rally with plenty of noise. But they didn't get Pete. Thanks to Jo. Tri-Deltas and Sig Alphs cop the Homecoming Sing.
Oct.	22	Too bad about that extra point at the game. But we'll take them next year. Alpha Chis and Phi Taus have best decorations. Dorothy (Nick's girl) reigns as Queen at the dance. Big success.
Oct.	28	I guess we took over Ashland, on their field too. Nice going fellows.
Oct.	31	College kids still love Hallowe'en. At least turned out for the town's parade, and even soaped windows.
Nov.	4	All the frantic rushing hither and thither can lead only to one thing—Stunt Night! Really the best ever produced on the campus. Delta Delta Delta and Phi Kappa Tau win their second honors for the year.
Nov.	7	End of Nine weeks — time to crack the books. And the weather just like spring. Shucks! Guess I'll have a date.
Nov.	11	Campus stags invade sorority house! Calm yourself, dearie, all they did was sing. And show off pledges. I'd sure like to be a freshman again.
Nov.	17	Nebraska Ball starts over at Morgan. Those gals really play the game.
Nov.	19	Hurrah! We end up the football season with a bang. Beat Muskingum. Everybody going around beaming at everybody else.
Nov.	21	Dr. Pappenhagen deals out Scholarship cups in Chapel today. For the girls, Delta Delta Delta; for the boys, Alpha Kappa Pi. Nice going for both of them.
Nov.	22	Starting to work seriously on the Unonian. Hardesty calls a meeting for tonight!
Nov.	23	Goody! Vacation with plenty of turkey and plenty of sleep, (I hope).
Dec.	2	Somebody turned Memorial into a barnyard! The choir, of course, with something different. Lots of fun.
Dec.	7	First basketball game for us and we beat Fenn. John Carroll fellows down to look over the team and the fairer sex. They take over the Corner after the game.
Dec.	9	Plenty going on. W. A. A. has first Sport Night and fills Morgan to the brim. Pi Gamma Mu decides to give Christmas basket. Tri-Deltas win Nebraska Ball championship from K. D's.
Dec.	16	All-College Christmas party. Quite a big affair with everyone happy. Prexy spoke in Chapel today, it was nice.
Dec.	20	Vacation starts at four p. m. Hope old St. Nick is mighty good to you all. Of course, all the Senior girls felt right perk today after their all night party.
Jan.	4	Settle down to the old routine. Beat Lawrence Tech. last night.
Jan.	8	Alpha Chi Omega has a Cultural Program. Lovely affair.
Jan.	11	Those old stooges the "practice teachers" had a really slick party at the Alpha Xi House.
Jan.	13	Black cats, stepladders, etc. didn't spoil anybody's fun at the Senate party. The whole college turned out, some fun!
Jan.	17	Very exciting basketball game tonight. Wooster's Scots took us but not for very much.
Jan.	19	Wonder why the freshman look so green this week, and why the seniors arent' quite so blithe. Could it be Semester Exams- Didn't you like Benet?
Jan.	28	Dear Lord, make those professors slide easily over the curve!
Jan.	31	Gee, already to start out on a clean slate. Forget all about last semester's mistakes. Hope Pop does, too.

Feb. 6 Rev. McQueen, The Snowball Family, Teedie's mother and others spend Religious Emphasis week with us. The meetings were helpful and interesting. Congratulations to those who made arrangements.

Feb. 17 B. B. games going on all month. We're holding our own. Played Dayton tonight. Good game.

Feb. 22 All the beauty parlors in town filled up. No school, instead our first formal of the year. Everybody went "dragging." It was a topping affair.

Feb. 24 Women Student Council has its Co-ed Prom tonight. Barb Kirk, the Barnesville number, takes first prize with her paper dress made from a calendar. Plenty of food and dancing.

March 1 Our team trimmed a fast Kent quintet tonight. Ended up the B. B. season with a bang!

March 3-5 Mount students show their grand ability as hosts to guests from campuses all over the state. Y. M. and Y. W. have their International Affairs meetings.

March 8 Yale trims Harvard in their annual classic over at Morgan, but Harvard put up a good game.

March 10 Another annual affair goes off "swell" tonight. The Greek goddesses have a fling at the Country Club. Never saw so many pretty girls and handsome fellows!

March 15 Werrenrath thrills his audience with **Road to Mandalay.** You missed something if you weren't there.

March 17 Signets have a grand party tonight. Did you notice all the green on campus today?

March 24 Nice short chapel today. Can it be Spring? It is!! A. X. D.'s start off the season with their formal tonight.

March 31 Kinda blue today, I hate saying goodbye. But it's only for a week. Happy Easter!

April 10 Classes start and so does the last nine weeks. Now I do have to start studying. This has gone far enough. Wasn't that moon gorgeous during vacation? It sure casts a spell.

April 14 With trills, runs, and lovely voices the big bozos of the campus will be entertained in their houses by "us gals."

April 15 More formals! This weekend A. C. O.s, and next weekend the Phi Taus and Kappa Delts.

April 19 May Day Pageant is getting into shape. Jean Miller will be the lovely Sleeping Beauty. Junior Court has been picked too. More later.

April 28 And today? At last, the Senior class can sit back and take it easy. The Junior class is outdoing itself for the Prom. No stags at this dance. And I have a new formal! Wow!

April 29 Up bright and early. More guests 'cause this is High School Day. A toast to next year's freshman class at Mount and we'll leave them all we've had here in the past four years.

May 1-5 So this is Health Week! And are they ever pounding "Sleep" into us? But plenty of fun, too. There will be quite a bit of hopping tonight at the Health Hop. See you there in a sweat shirt!
And don't forget the A. T. O. Spring Formal on Saturday this week.

May 12-13 A. K. P., S. A. E., and D. D. D., fill the weekend with their Spring dances. There's a new moon, too.

May 20 And she shall be crowned Queen of the May. Jean reigns today and at her dance tonight. Last night the jolly old Sigma Nus had a big affair at the club. Everyone enjoyed it.

May 26 Such femininity as was shown at the W. A. A. formal banquet tonight. Quite a lovely party. Hope the new Board has a grand time next year.

May 27 Another weekend not to be forgotten. Cook's Forest is calling to us and we're on our way.

May 30 Today we are honoring those who died for us in wars. Maybe we had better stop and think in this hectic world.

June 2 Doesn't seem possible but here we go on some more finals. Good luck to you.

June 11 Sunday, and today we have Baccalaureate. Nice Senior class we had this year.

June 12 Senior Class Day, and credit is given where credit is due.

June 13 And now, life commences to begin. And everything ends with the Commencement Dance. Funny, isn't it? Bye now!

Before we put the Unonian of 1939 upon the shelves of time, let us, in passing, pause to express our appreciation to those who have played an important part in making this publication possible.

The editor here wishes to extend his appreciation to the entire staff, who have cooperated at all times.

It is the wish of the entire staff of the Unonian of 1939 that the book will, in future years, recall many joyous college days which were well spent. If this purpose is accomplished, we will think our efforts have not been in vain.

Thanks . . .

We wish to express our appreciation to the individuals and merchants who have advertised in the 1939 Unonian, and we trust the students and friends of the college will show their gratitude by patronizing these merchants.

Originality is a quality of the imagination. It is the ability to take the usual elements of picture and story and present them to your student body in a new, different and interesting fashion. Our School Service organization has long been noted for its true originality in Year Book planning.
